NAZARETH HIGH SCHOOL

Nazareth, Pennsylvania

1948

The 1948 *Comet* aims to picture life at Nazareth High School. The informal photographs of classes, study halls, sports, and other activities show students in the process of experiencing varied and wholesome school activities. These work and play activities aim to give students experience in the democratic way of life and to foster latent qualities of leadership. Since the students of today become the citizens of tomorrow, they must be prepared to accept the present challenge to the democratic way of life and must struggle to keep our precious heritage alive in these turbulent times. That Nazareth High School students may, like the Greek runners in days of old, help in some small way to pass the torch of liberty and freedom on to the next generation and help to keep alive democratic ideals gives aim and direction to the faculty and the students of Nazareth High School.

In Memoriam

Our classmate, Martin Keppel, better known as Jughead, passed to a Better Life on March 11, 1948. Martin will always be remembered for his willing spirit and his friendliness to others. Besides being a star tackle on the football squad, Jughead also showed his leadership by serving on several class committees, as president of his homeroom, and as class treasurer. For his fine qualities and excellent sportsmanship, Martin will live in our memories.

Nazareth School Board

Left to Right: Frederick A. Marcks, Superintendent of Public Schools; William Henry; Elwood Unangst; A. Russell Snyder, Vice President; Clinton Bunn; Peter Yeisley; Charles Knauss, Secretary to the Board; Charles Schnerr, Treasurer; George Smith, President.

School affairs in Nazareth are handled by a School Board composed of seven members elected by the people. The board meets the first Monday of each month, and may call special sessions when necessary. It is their duty to have general supervision of the schools in the district, appoint the superintendent, levy school taxes, approve and administer the budget, and supervise the purchase of supplies for all schools in the district. The citizens of Nazareth are indeed fortunate to have this group of men who give so unstintingly of their time and service in the interest of Nazareth's public schools.

Mr. Marcks and his secretary, Mrs. Ruth

Mr. Marcks, Superintendent of Nazareth Boro Schools, is keenly interested in the welfare of our school system. He carries out the many duties of his office with understanding and efficiency.

Mr. Feller and his secretary, Miss Uhler

Coming to Nazareth High in September of 1947, Mr. Feller has won the respect and admiration of the students by his personal interest in their welfare. His inspiration, guidance, and ardent support have helped immensely in the production of this yearbook.

CLAUDE P. ABBOTT

Claude

Claude is having a lonesome time at school this year because his O. A. O. has graduated. Volleyball and basketball seem to be his favorite sports, but he is handy at any sport that comes along. School work and Claude aren't good friends, but he usually manages to get along.

Forum Club 3.

JEAN APPLGATE

Jean

Jean, the only auburn-haired girl in the senior class, is quiet and reserved. You never catch her carrying on a conversation in study or in class. Her biggest obstacle in school is typing. Quiet? Well, maybe, but his pals tell us he can be a terror at times. Millard was one of the Student Council representatives from Room 33. His red hair and pleasant personality seem to be the envy of a lot of boys. Millard's interests lie solely in hunting.

Science Club 3; Student Council 3.

JOSEPH F. BAYDA

Joe

Joe's ability in all phases of chemistry and mathematics has long been the envy of his classmates. He can work out long formulas and equations with apparent ease. Even when he is in the lab, he always seems to know just what to do next. If science is his goal, he is very likely to succeed with flying colors.

Football, J. V. 1.

WARREN S. DECH, JR.

Dechie

Dechie, one of our powerful football ends, showed his athletic ability on the football and basketball teams. If you want to find Dechie, just watch for him driving past in his black Chevy. COMMENCEMENT

*.... when books are shelved for
a more intense study of the world
and its ways....*

One of the first business steps undertaken by many of this year's graduates will be the opening of a Savings Account as soon as they start earning money.

Many of our older citizens may well follow the example of these future business men and successful homemakers in preparing for life's challenges. We'll be glad to help your funds grow by adding compound interest to the amounts you save here.

later, that a close relationship with a sound bank is a valuable asset in life. We extend an invitation to all of you to make this bank your bank. Start an account here, learn about our services, get acquainted with us. But wherever your path may lead, we wish you a bright and prosperous future.
